## Brooke Graduation Speaker

U. S. Senator Edward W. Brooke was scheduled to address the over 470 members of the Andover High school graduating class at Eugene V. Lovely field Wednesday evening.

Senator Brooke, invited by the senior class to be the commencement speaker, was to discuss options available to the United States concerning energy and natural resources.

The 118th commencement exercises of Andover High

Schools were planned for 5 p.m. at the field, with threatening skies compelling school officials to make a decision as to whether to go ahead with the outdoor exercises after the TOWNSMAN had gone to press late Wednesday afternoon.

Brooke was chosen the speaker at a meeting of the class earlier this year and accepted the invitation extended on behalf of the class of Kimberley A. Cronin, who also was scheduled to speak at the

exercises as essayist.

The scheduled program opened with a musical prelude directed by Thomas I. Frackiewicz and Anne M. Raymond, followed by the processional "Pomp and Circumstance" by the Andover High School concert band.

The invocation was by Matthew Mirisola, chairman of the Student Advisory Council and the Salute to the Flag led by William D. Halton, vice president of the class.

The singing of "America" by Connie M. Fogg, was accompanied by the concert band, followed by the presentation of the class gift by Martha A. Moynihan and presentation of Flags by American Field Service students Carmen Bokin, of the Marshall Islands and David J. Morris from Australia.

David G. Stein, president of the class was essayist and a musical selection was directed

### Wright Named Deputy

Lt. Harold Wright, 189 Greenwood road, has been promoted to deputy chief in the fire department and will begin his new duties on Sunday.

Wright, an Andover native, replaces Albert Cole who retired some time ago, the permanent appointment awaiting civil service certification of promotional examinations.

Edward King, the senior lieutenant in the fire department, has been acting deputy chief since Cole's retirement.

The new deputy chief has been a member of the fire department since November of 1966, when he received a provisional appointment. He was made permanent in February 1967 and was named acting lieutenant in February of 1973 and permanent lieutenant in November of 1973.

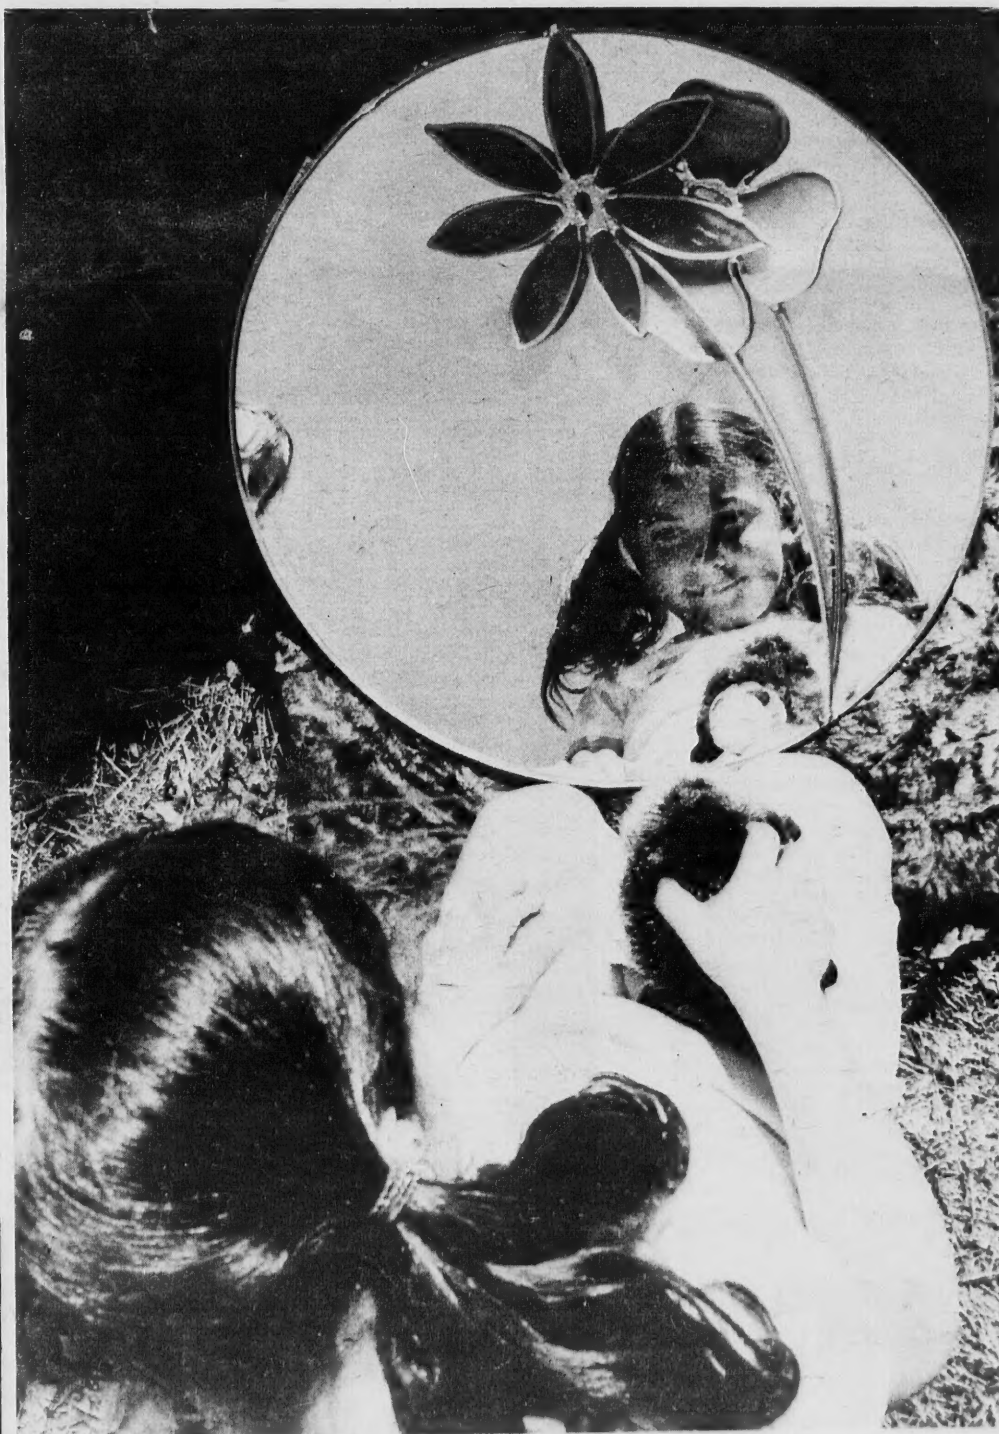

A graduate of Andover high school with the class of 1973, Wright served in the U. S. Navy as an aviation electronic technician, being on active service from 1963 through 1965 and in the reserves through 1968.

He recently received an associate degree in fire protection, safety and technology from North Shore Community College.

Wright and his wife, Martha S. are the parents of three children, Brad, Brian and

The Andover School Committee Tuesday night gave the go-ahead and considerable free reign to a committee to study the possibility of establishing a performing arts center here.

Supt. Kenneth R. Seifert recommended that a study group determine if there is a need for a center — and he said he felt certain they would find a need — and then make recommendations for a facility.

Then, he said, it would be up to the community to determine by a vote for planning funds at town meeting, whether or not it wanted one.

Chairman David Ahouse noted that the committee favors the study and that a potential center would not come under the committee's umbrella of fiscal austerity.

If a center comes about, he said, it would be because a majority of people at Town Meeting at that time wanted it.

The study group is to report back in the early fall, in time to be ready to go to October Town Meeting for planning funds.

Robert King, high school drama coach and teacher who led a joint school-community presentation for an arts center to the committee last month, this week presented a list of potential committee members. In addition to himself and Music Director Edward Grigoli, they include Mr. and Mrs. Alfred Syiek, Mr. and Mrs. Joel J. Edelstein and J. Everett Collins.

Other members could include representatives from the Band and Choral Parents organizations, the Andover Community Theatre and the Merrimack Valley Philharmonic.

Seifert also suggested inviting the Finance Committee,

## Town House Topics

### Selectman Appointment Monday

The selectmen are expected to elect a fifth member of the board when they meet in regular session Monday night at 7:30 in the meeting room of Memorial Hall Library.

There are nine candidates for the vacancy created by the resignation of Alan F. French in April.

Sidney P. White, a former selectman, who was listed as being among those who had indicated an interest in the position, said this week that he was not a candidate for the vacancy.

The person elected on Monday will serve until the annual town election next March.

### No Shots, No School

Supt. Kenneth R. Seifert told the school committee Tuesday night that a recent State Board of Health report indicates that Andover doesn't have as high an immunization record as it should for the type of community it is.

So, he said, the administration will crack down on those youngsters who don't have required

shots. They won't be allowed to come to school, he said, if they aren't immunized by a to-be-determined date.

Seifert also got the go-ahead from the committee to seek a team of medical people willing to provide the schools with greater coverage than they now have. Among their services, he said, could be inservice programs for teachers.

### Vandalism An Increasing Concern

Seifert told the school committee that he will be coming forward in the future with thorough observations and suggestions on how to curb vandalism of teachers cars.

He said he hoped that Andover wouldn't have to go as far as some cities and put up high fences or guard teacher

parking lots to help solve a rising problem.

He said the teacher's association had even sent a representative to him to express their concern about the safety of their cars. Reports have come in about break-ins, scratches, broken windows, stolen tape decks, flat tires, threatening notes and more.

### Named To Negotiate

School Committeemen Joseph Finn and Alan Doerr were named by Chairman David Ahouse Tuesday night

to negotiate with school administrators in the next contract talks.

They'll begin in October.

### Westcott Bids Adieu

Associate Superintendent Harry Westcott said his goodbyes to the school committee Tuesday night, as he will be out of town for their next June 21 meeting.

Westcott will be leaving July 1 for superintendent duties in western New Hampshire.

The school committee

Tuesday night accepted the resignations of three teachers for "personal" reasons: Jane Fleming, a teacher aide in the Bancroft School Media Center for the past three years; Janet Libby, Grade 4 teacher at Bancroft, who has been on a leave of absence this year; and Elizabeth Lee, Grade 2 teacher at Sanborn.

### Memorial Service Sunday

The annual Memorial Services for deceased members of the fire department will be held Sunday, June 12 at 9 a.m. at the Central Station,

Public Safety Center. The public is invited to attend the ceremonies which will be followed by breakfast.

## Dancers To Present 'Coppelia'

A local dance school, home of the Youth Dance Company of Tewksbury, will present the ballet, "Coppelia" on June 12 and 13 at the Andover West Junior High School, Andover. This will be their second major production of the year following the successful "Nutcracker Suite" in the Fall. The group will be accompanied by a 10-piece orchestra directed by Christine Petrucci.

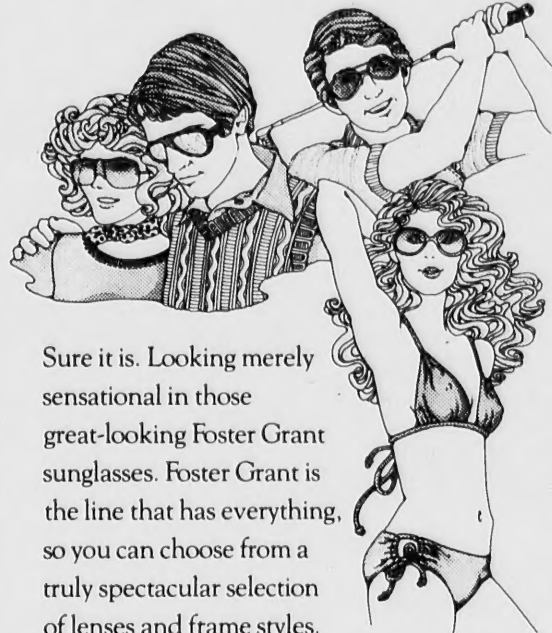

The ballet takes place in a small village in Central Europe around 1700. The villagers perform several well-known character dances, the Mazurka, Chardaz and slavic variations as the story begins. Coppelia is a wax doll created by the sinister Dr. Coppelius. For some time Swanhilda, a high-spirited young village girl, has suspected her fiancé, Franz, of being in love with Coppelia.

The part of Swanhilda will be danced by Lisa Gath on Sunday and Jeannine Miceli on Monday. Dr. Coppelius will be performed by Denise Benson, the part of Franz will be danced by Carole Melanson and Swanhilda's best friend by Stacy Bigelow. The production will be directed by Miss Donna Miceli.

Following the Ballet, there will be a jazz production featuring the Jazz Ensemble in a piece from Elton John's "Funeral for a

Friend." Highlights from a primitive dance scene and Broadway, lyrical inter-musical comedy pieces will end the evening.

Examining some of the books, records and other items to be on sale during the annual Book Sale conducted by Friends of Memorial Hall library are, from left, Gregory and Jeffrey Kaloustian and Benjamin Fine. The sale will be conducted Friday, June 24.

## Friends Plan Book Sale

The Friends of Memorial Hall Library will sponsor its annual Book Sale on Friday, June 24, in conjunction with the Andover Flea Market, from 9:30 a.m. to 7 p.m. on the sidewalk in front of the Library.

Andover residents and others are requested to drop off their old books, records, art prints, and other items in the boxes in the Library foyer. Co-chairmen are Barbara Fine and Mrs. Lin Kaloustian. They suggest that this is an excellent time to complete a thorough spring cleaning of bookshelves and cabinets throughout the house and to donate excess items to the Book Sale, whose proceeds will be used to benefit the library. The sale will be held rain or shine.

Items needed to be donated are hardcover and paperback books of all types, records, art prints, children's puzzles, especially coded ones. Encyclopedias are wanted if no older than 10 years, and textbooks are acceptable if no older than three years. Issues of National Geographic magazine of any year are also desired. The only type of children's games being solicited are puzzles, although children's books are always welcome. Items may be delivered on the

day of the sale if impossible to deliver previously.

Hardcover books will sell for 25¢ apiece, and paperback books will sell for 20¢ apiece, with other items available at comparably low prices.

The purposes of the Friends of Memorial Hall library, which is open to all town residents, are to provide volunteer help for the library, to purchase items for the library not financially feasible within the annual budget, and to sponsor special events of interest to the community. The officers for 1977-78 are: Mrs. Robert Cipro, president; Mrs. S. Joseph Hoffman, vice president; Mrs. Carmine DiAdama, recording secretary; Mrs. John Perowski, corresponding secretary; Mr. Robert Rockwell, treasurer; and Mrs. Thomas Lamson, membership.

# 29 Local Residents Among PA Graduates

THE TOWNSMAN, JUNE 9, 1977

Twenty-nine Andover and North Andover seniors are among the 334 who are graduating from Phillips Academy today during the school's 199th Commencement Exhibition.

Six of the local students are being graduated cum laude.

The outdoor Exhibition opens at 9:30, with the Clam McPherson Band leading the traditional Commencement procession across campus, through the Elm Arch and up to the Great Quadrangle before the steps of Samuel Phillips Hall.

After invocation and prayers by the Academy's chaplains initiation of the new Cum Laude Society members, music by the Brass Ensemble and the award of four special Commencement prizes to seniors, Headmaster Theodore R. Sizer will deliver the major address to the graduating class.

Donald H. McLean, president of the Trustees of Phillips Academy, will award diplomas symbolically to the class; after the ceremony the graduates will form the traditional circle on the Addison Gallery lawn to receive their individual certificates. Refreshments in Flagstaff Court will conclude the exercises.

Commencement Week actually began with the Senior Baccalaureate Service Sunday, conducted by the Academy's team ministry of the Rev. Vincent Avery, Rabbi Everett Gendler and the Rev. Theodore J. Warren. The Rev. Philip Zaeder, Associate Chaplain of Yale University and newly appointed Protestant Chaplain at PA, was speaker.

The seniors' annual dinner with the faculty took place Tuesday evening, with Dr. John Ratte, Lawrence native, PA alumnus, headmaster of the Loomis-Chafee School and father of Andover senior Christopher Ratte, the featured speaker. Last night the deans of each residential cluster held receptions for their seniors, families and guests, followed by a buffet supper, senior class entertainment and a candlelit ecumenical service in Cochran Chapel.

# Sloan Foundation Awards P.A. Grant

THE TOWNSMAN, JUNE 9, 1977

The Alfred P. Sloan Foundation of New York City has awarded Phillips Academy, Andover, a \$45,000 grant for a planning conference this summer to devise ways American high schools can generate better programs to teach expository writing.

Thomas J. Regan, Andover's English Department chairman, will coordinate the project involving fifteen top-level U.S. educators. They will come from public and private education, from school and university, from various specialties and geographic areas of the nation.

The planners will spend two weeks on the Andover campus studying a problem that concerns parents, educators, and business and government leaders: that, in spite of educational advances in other areas, too many youngsters do not write clear, logical and grammatically correct prose by

the time they graduate from high school.

Andover's English Department several years ago indicated its concern with students' mastery of basic English skills. The department insists that all Andover students — whether they enter as ninth graders or seniors — pass the English Competence requirement in reading and expository writing before they take any of the Academy's literature courses. Phillips Academy, an independent, coeducational residential high school with a national constituency, stresses academic excellence and aims for diversity in its student body.

Eight members of Andover's summer planning conference on expository writing already have been announced, and they include theoreticians, active teachers and administrators: Robert Morris, vice-president of the

University of Dallas, formerly an English teacher at St. George's School; A. Graham Down, executive director of the Council for Basic Education; Professor A.D. Van Nostrand, Brown University's English Department chairman, whose writing program is widely used in schools and colleges; Mrs. Carolyn Bins, who has been a teacher and curriculum planner in the Washington, D.C., school system; John B. Heath, chairman of the English department at The Phillips Exeter Academy; Thomas Donovan, English teacher at the Hudson Bay High School in Vancouver, Washington; Jayne Karsten, teacher of English and Humanities at Langley High School, McLean, VA; George Nemetz, consultant to the Deputy Superintendent for programs in the California State Department of Education; and K. Kelly Wise, one of the authors, with Regan, of the English Competence Handbook, and chairman-elect of Andover's English Department.

Regan emphasized that the planners were not going into the two-week conference with preconceived ideas of what its outcome would be. "We don't know whether it will be teachers' conferences, guidebooks, or even films that we'll come up with. We do know we are after a means to help schools across the country find better ways to teach their students to write clear logical prose."

## Busy Month At St. Robert's

THE TOWNSMAN, JUNE 9, 1977

The month of May has been a busy one for pupils at St. Robert's Country Day School Nursery classes in West Andover.

Early in the month the children had their annual bus field trip. They studied about rocks, birds and the ocean, then headed to the Bird Sanctuary at Plum Island where they walked one of the trails on a sand dune, then had a picnic on the beach.

Since the "admission fee" at Plum Island was to collect a bag of litter, the children began to learn about ecology, and they spent some class time watching how paper is recycled. (Plans for the annual cleanup of their playground area had to be cancelled because of inclement weather.)

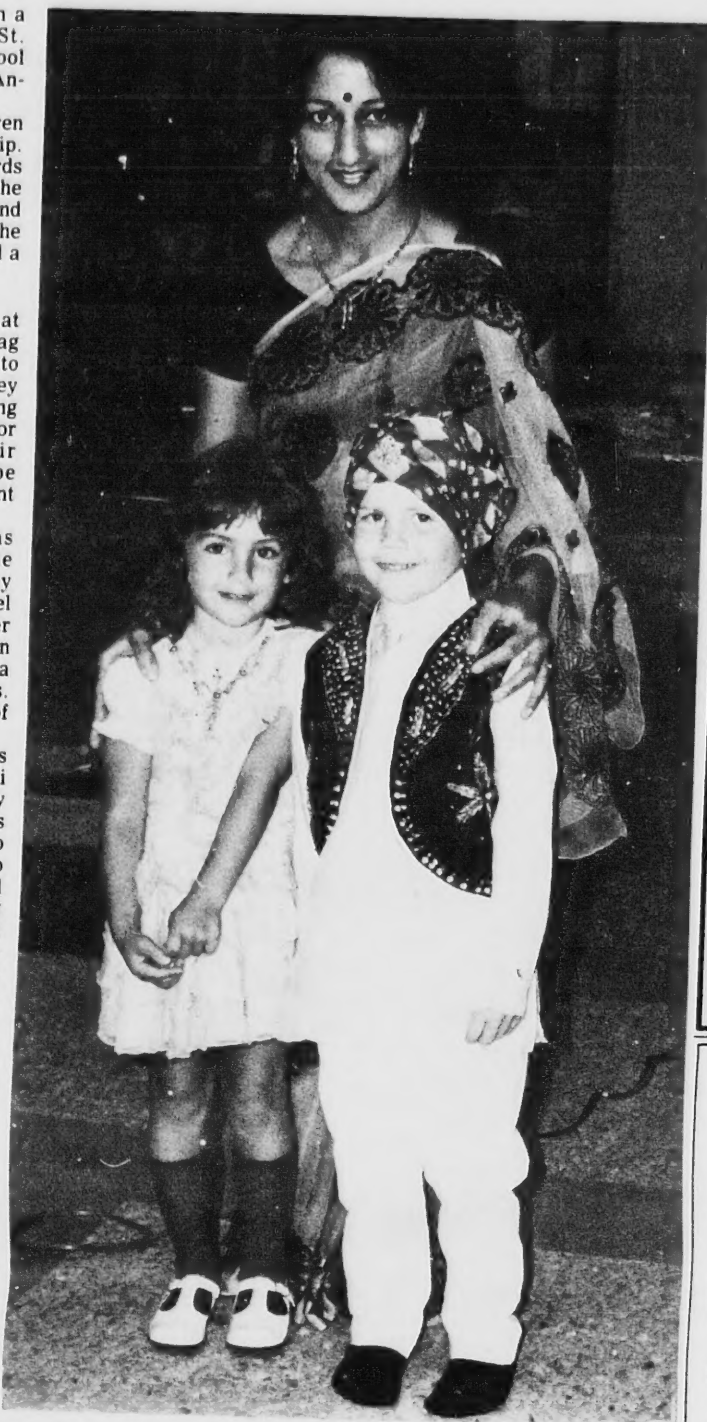

"International Week" was observed at the school. The children participated in a May Pole Dance and Mrs. Shiva Sheel talked to the children about her native India. She showed Indian clothing and some children had a chance to model Indian styles. Mrs. Sheel also showed slides of a traditional Indian wedding.

The children also had visitors from other lands. Mrs. Masatoshi Fukuda from Japan had a display of Japanese dolls and armaments for the children to see. Mrs. Jo DeVellis demonstrated how to make "real" Italian pizza, and this was the snack of the morning as the children tried their hand at making some. Mr. Chris Orfanedes demonstrated and taught the children a simple Greek circle dance.

The last week of classes was devoted to Raggedy Ann and Andy stories, songs and poems as this is the Graduation theme selected by the mothers on the Graduation Committee.

Graduation exercises, (with each child dressed in outfits made by the committee) saw 41 Raggedy Ann's and Andy's receiving their diplomas from William Walsh, honorary "grandfather" of the school, Mrs. Harold Keegan, school director, and the four teachers, Mrs. Werner Anderson, Mrs. Paul Convey, Mrs. Martin Dispensa, and Mrs. Donald McSweeney. For further information about the school, contact the school registrar, Mrs. Mynttinen in Andover.

## Bentley Graduates Four From Andovers

Four area residents were among the graduates of Bentley College who heard CBS-TV's Mike Wallace caution them as future business leaders that the press would be their adversary "to look behind your facades."

"But adversary does not mean dishonest," he said, and he condemned "journalism by terrorism," or news gathering by illegal or unethical means.

Arthur T. Demoulas, 6 Ithaca Place, Charles D. Itz, 6 Twinbrook Circle and Carlene A. O'Brien, 41 Red Spring Road, all of Andover, received B.S. degrees, while Richard D. Galeucia, 767 Johnson Street, North Andover, received a master's degree.

Wallace, co-editor of "60 Minutes," said that "ethics is on

your minds and believe me it is on our minds as journalists. The press has to be the observer, the adversary, the watchdog and the ombudsman. But without ethical behavior we lose our usefulness. If by playing less than fair we lose you, our audience, we lose it all."

# AVIS Acquires Goldsmith Woodlands

THE TOWNSMAN, JUNE 9, 1977

## Checking Goldsmith Woodlands

By Lynn Beattie

A gift of 130 acres of land was officially signed over to the Andover Village Improvement Society recently. The generous contribution by the late Bessie Punchard Goldsmith has been held in trust since her death in 1974.

The area, designated the "Goldsmith Woodlands," is located off South Main St. near the route 125 interchange. Much of the wooded acreage borders on Foster's Pond and high areas offer scenic vistas over it. The entrance is by a dirt road next to 491 S. Main St. There are a few trails at present but more will be developed in the near future.

The parcel of land has been held by the Fund for Preservation of Wildlife and Natural Areas and the Boston Safe Deposit and Trust Co., trustee of the land on behalf of the fund. The lease was signed over to the Andover Village Improvement Society to manage in the same

manner as it does all other reservations in town.

Miss Goldsmith left explicit instructions in her will regarding the land. "It is my desire that this woodland be held forever in trust in its natural state as a sanctuary for wild animals, birds, flowers and trees, and that improvements be made only in accordance with accepted forest practices."

It will be managed in accord with the purposes of AVIS which excludes all motorized vehicles, prohibits camping and water sports. Trails are maintained for public use and all activities consistent with conservation objectives are encouraged. It will be held permanently for conservation and recreational use, remain open to the public and no building will be constructed thereon.

Known recently to most people in Andover for her historical reminiscences in the "Townswoman's Andover" Bessie Goldsmith was a noted

historian of the town she loved and an ardent conservationist. In fact, conservation seemed to be a family trait. Her father, William Goldsmith, was a prime mover, founding father and the first president of AVIS in the early

1900's. The name of Bessie Goldsmith will long be remembered in Andover.

### BRICK for every need

Consider all of the advantages of brick

- Brick is safe - It does not burn or rot
- Brick is impervious to termites or vermine
- Brick does not buckle or melt in high heat like metal
- Brick does not corrode, rust or dent.
- Brick never needs painting - Painting a non-brick house can amount to several thousand dollars over the life of your mortgage.
- Brick is permanent and non-fading
- Brick is economical - Brick is beautiful

Shouldn't you be using brick  
for all of your building needs?

On Thursday morning, June 9, following the annual Assembly, the Student Government and Faculty have planned a ninth grade outing at Cape Beach in Ipswich. On Saturday, May 4, the EJHS Student Council sponsored their annual car wash at Bay State Bank from 12:30 to 6 p.m. Student Council and Yearbook members were the principle car washers. Other East students also helped out during this long and tiring afternoon. Though it was exhausting, the afternoon was also fun. Maybe it was the thought that everyone was working towards one goal — or it could have been the water that just happened to fall on certain students. The goal they were working for was \$200 dollars that would mean washing and drying 200 cars. The goal was exceeded — a total of \$221 dollars was

made, breaking the old record of \$180 dollars. The proceeds will go towards the Ninth Grade Dinner Dance to be held on June 17, the Cheerleaders and the '76-77 East Yearbook "Yesterday Once More." A hearty thanks goes to everyone who helped by either having their car washed or by doing the washing.

The East Student Council Officers for the '77-78 school year will be elected June 10. Campaigns started Monday, June 6. Posters and banners line the hallways and cover the auditorium and cafeteria. Slogans can be heard emanating from groups of students promoting their favorite candidate. This time of year often

proves to be the most exciting at East. A type of electricity travels through the air. Everyone is excited and those who have slept through most of the year suddenly wake up. The whole school seems to be more alive. Four positions are to be filled on Friday: president, vice president, treasurer and secretary. Eighth grade students may run for president and treasurer, while seventh grade students

may run for vice president and secretary. On Thursday the candidates and their campaign managers gave speeches to the seventh and eighth graders. Those running are Sarah Driscoll and Sue Tanner for president, Susan Driscoll and Randy Jones for vice president, Mark Easton, Susan Aiello and Karen Harris for treasurer, and Robin Brooks, Hilerry French and Emily Gerson for secretary.

"Project Echo" was a new venture recently initiated by the West Junior High English Dept. In this program, twelve ninth graders were sent to Phillips Academy four days a week for three weeks to take part in a special class. The purpose of this class was to learn to write a good short story and to compare and examine each other's contributions. The twelve ninth-graders who participated in this program were Nancy Balin, Jody Hildebrandt, Ben Bram, Kevin Hollenbeck, David Hotham, Brian Liang, Kim Lilly, Jeanne Martin, Brenda Marotto, Laura Need, Lisa Sternlieb, and Liz Sweeney.

As the school year draws to a close, arrangements are being made for the final ninth grade activities. This Friday evening, June 10, the ninth grade will be guests of the faculty at a Buffet and Class Dance, which will be held in the courtyard of WJHS. On Thursday morning June 23, following the annual Awards Assembly, the Student Government and Faculty have planned a ninth grade outing at Crane's Beach in Ipswich. The final event is being planned for the last day of school. On Friday morning, June 24 at 10 a.m., the final assembly will be held in the auditorium. Parents and friends of ninth grade students are invited to attend.

The WJHS Girls Softball Team finished up with an even record for the season. Twenty-three girls participated in this activity and came up with a 4-4 record.

The team batting average was .547 and the leading batters were Judy Girard, Lisa Peters, Sandy Fitzpatrick, Paula Caplan, and Laurie Fisk. The leading pitcher was Sandy Fitzpatrick with 4 wins and 1 loss. Although the nucleus of the team is moving on to high school, with the young but aggressive group that will be back, West, potentially, should be one of the best teams in the league next year. The softball coach is Miss Eichner.

He said they felt "somewhat restricted" by a direction to concentrate on the elementary figure declines, and would like the opportunity "to cover as much as possible."

"We don't want to overstep our bounds," he added, "but we don't want to leave any stones unturned either."

School Chairman David Ahouse said the committee in past months had voted against building new secondary facilities, and against regrouping grade structures to cope with enrollments.

"We are not interested in going over those grounds again," he said, emphasizing that the elementary populations are their Number 1 concern in the immediate future.

Silverman said that would be fine, as long as they could go further if once they have met the primary objectives.

Ahouse also said it is the general intent of the school

committee to maintain programs, busing and staffing as they are now. "We aren't talking about changing anything" in those departments, he said.

The only study relating to programs, he said is if they are adequately housed, in keeping with the committee's desire to have equality of services.

Supt. Kenneth R. Seifert said he would like an overall blueprint of the study group's plans as soon as possible, so the administration can be prepared to produce required data in advance.

Ahouse called for an outline from the study group at the June 2 session.

The Awards Assembly was presided over by William Halton, vice president of the senior class, along with occasional appearances by President David Stein and Secretary-Treasurer Martha Moynihan.

Delivering awards were department heads Edward Grigoli, Hartley Peakes, William Becker, G. Arthur Danforth, James Murphy, Peter Prince, Mrs. Kathleen Cook, Richard Swift, and Mrs. Rosamund Bastable.

Drama Awards were presented by the Club's advisor Robert King and the SAC award by Susan Babicki.

The Punchard-Andover Alumni Awards were given by Douglas Hamilton and the Administrative Awards by the principal, Philip Wormwood.

The Peter Aumais Memorial Award was given by William Drummond.

Featured after the various awards were presented were retirement honors to Miss Westcott and Mr. Morton, both of whom has been in Andover schools for many years — Miss Westcott has been head nurse, and Mr. Morton has risen to become the senior scholar of the AHS Social Studies Department. The senior class presented each of them with a gift, and each received a well-deserved standing ovation by those assembled in the West Junior High School auditorium.

After a brief address by Superintendent of Schools Dr. Kenneth Seifert, the guest speaker, John McCusker of the Social Studies Department, was introduced.

Affectionately known by the nickname "Wally," this speaker kept the audience well amused with his remarks concerning his role and duties over the past years, his involvement in the so-called "Space Cadets," and his mild deprecation of expansive

speeches on the class of 1977 being the best in history, enjoying the best years of their lives — "but we know better."

He did, however, have a few good words to say about rebellion and non-conformism, though these words, he made clear, were not for "the scum and lowlife" who vandalize.

Lastly but certainly not least important, the yearbook was dedicated by President David Stein to Mrs. Mary Skinner, secretary in the main office at AHS and a long-time devoted, loyal, and hardworking member of the high school's administration. Members of the student

body with whom I discussed this choice, including the Business Manager of the yearbook, indicated that AHS would be hard-pressed to operate without someone of her talents and abilities.

## Camp Y-Wood Set To Open

THE TOWNSMAN, JUNE 9, 1977

Camp Y-Wood, the girls' day camp of the Greater Lawrence YWCA, is planning its program for its summer season beginning June 27. The camp, located on Captain's Pond in Salem, N.H., will serve girls 7-13 from all the Greater Lawrence Communities for four two week sessions.

The camp is directed by Mrs. Evelyn Retelle, of Andover, who

is returning for her 16th year as camp organizer. The camp features much outdoor camping and nature skills, which are her special interests.

Outdoor cookery, overnight camping for older girls and basic camping skills will be taught by Miss Wendy Coombs, Cross Street, Andover. She is a student at North Adams State College and has been active in Girl

Scouting and YMCA swimming programs. Junior Land assistant will be Miss Paula Fluet of Andover, a graduate of the camp CIT program.

Ms. Rosemary Ardinger, YWCA Youth Director, will direct the camp waterfront program. She is a graduate of Slippery Rock College in Pennsylvania, and has had camping experience. She will be assisted by Mrs. Jane Heyel, a teacher in the Haverhill School System, who has had waterfront experience directing Holiston Town Swimming Programs and camps in Connecticut. Junior assistants, all of whom have their Junior Lifesaving and Water Safety Aide Certificates, are Joyce Fragala, Susan Shumsky, of Lawrence; Julie Retelle of Andover; Nancy Orlando of North

Andover and Julie Robbins of Methuen.

A Counselor-In-Training Program for girls 14 and 15 who have had camping experience and wish to learn teaching methods will be given the first two periods, starting June 27, with apprentice weeks assigned on course completion. Mountaineering and canoeing trips will be offered to these girls and older campers.

A program of sports: softball, archery, volleyball and boating will be offered. Arts and crafts will include nature crafts, sketching, painting, pottery and many other craft skills.

Camp folders are available at the YWCA desk or by calling the YW. Openings are available for all periods.

## West Parish Pops

Monday, May 16 was a memorable day at West Parish Nursery school — it was the morning of their musical "West Parish Pops."

The pre-schoolers were involved in their production from start to finish. They eagerly decorated the programs and helped design much of the colorful scenery.

Under the direction of teachers Audrey DesRoches, Charlotte Flynn and music teacher Sherry Tupper the show proved to be most enjoyable. Many parents, relatives and friends were present to enjoy the mornings entertainment.

A large selection of songs were enthusiastically rendered by the pre-schoolers as well as some ethnic dances and humorous nursery rhyme skits.

The pleasant morning which concluded with refreshments for all and a chance to congratulate all the "mini stars" for a fine effort.

Mini stars include: Michelle Delaney, Joanthan Lewis, Matthew McHenry, Meaghan Nix, Heather Reghitto, Katherine Donovan, Rebecca

Morris, Bryan Smith, Michael Hella, Mark Shwetz, Katherine Roper, Christopher Bloh, Brenna Cronin, Amy Heislein, Frederic Hohn, Mark Ziady, Brian Wright, Dianne Schwarz, Matthew Daly and Katherine Doherty.

## Graduation, 1977

Almost like an annual recital of accomplishment, this week's edition of the TOWNSMAN, contains accounts of the commencement activities of hundreds of Andover young people.

Recorded are the graduation exercises scheduled for Andover High school, Phillips Academy and the successful completion of academic careers of many more local residents.

It is a pleasant time of year for these young people and their parents, and it, as the word implies a commencement.

For the young people at Andover High, the exercises mark the completion of 12 years of study and development of goals for the future.

Many will continue on to school, others will pursue specialized studies or careers.

Graduation marks the completion of one phase of life and the beginning of another, accompanied by the joys of accomplishment and the realization that some of the associations made during the years may diminish and social activities may be altered.

As has been the case in the past, the Class of '77 faces new and exciting challenges.

But those who have gone forth from Andover High in past years have also faced similar challenges and met them well as evidenced by the recording of their academic success in recent weeks.

So, as this year's graduates begin new fields of endeavor, we wish them every success in directing their future efforts toward the building of a better and peaceful world.

And, as another school year approaches an end, we would like to extend our thanks to some energetic, budding journalists.

During the past year, reports of activities at the high school and two junior high schools have been carried in the TOWNSMAN through the efforts of students at the schools.

Through their work, they have kept the community informed of activities at the schools, have met their weekly deadlines and have been conscientious in their work.

We would like to extend our appreciation to Walter Hunt at Andover High, Polly Whitley at West Junior High and Renee Pruneau at East Junior High and commend them on a job well done.

## Andover's Loss

To the Editor of the TOWNSMAN  
He had all the personal attributes we admire: wisdom, understanding, patience, devoutness, humility, a deep seated belief in people and an ever-present desire to help those in need.

He was mild mannered and friendly to all who came into contact with him. Service to his community and fellow man were paramount in his mind, heart and soul whether it was in his affiliation with the Andover Guild, Recreation Department, American Legion, Veteran's Service, the Haven, or Red Cross.

His philosophy of life was to enjoy and make worthwhile every day of his existence on earth. Those who conversed with him came away feeling more satisfied with their own lives and a certain feeling of exhilaration.

One person was heard to say tearfully "I have lost a great friend and I feel 90% of the people of Andover feel the same way." The other 10% were not that fortunate to have known such a wonderful person.

The death of Francis (Frank) Markey is Andover's loss. I like to think that he was indeed Mr. Andover.

## WEEKLY SPECIAL

### Ozone Poisons Air Passengers, Crews

by Jack Anderson  
with Joe Spear

WASHINGTON -- Some passengers and crews of commercial airliners have been suffering from ozone poisoning. At high altitudes, they have complained of breathing difficulties and tightening of the chest. Some have even coughed up blood.

The airlines told us they were working on the problem. They had instructed their pilots to drop to lower altitudes if they encountered ozone. They also began to develop filtration systems to remove the ozone from the cabins.

But now we have uncovered a secret study indicating that the airlines knew about the ozone hazards at least a year ago. The report was prepared for the Air Transport Association, which represents the airlines.

States the confidential document: "The data gathered and summarized for this study is sufficient evidence that ozone should be a matter of concern to the industry."

Yet the airlines ignored the problem for nearly a year. It wasn't until passengers started to complain that some airlines began to take action.

**Angry Aussies:** The Central Intelligence Agency has now managed to alienate the Australians who used to be our best friends in the Pacific. But that was before a spy trial brought out some embarrassing information.

A young communications worker was accused of slipping secrets to the Soviets. He worked for TRW, an American firm doing business with the CIA. It came out during the trial that the CIA had passed out bribes in Australia to influence votes.

This caused an uproar in Australia. But there's another story, which the court tried to seal. The United States and Australia were partners in a spy satellite, which hung over Borneo and transmitted its sightings to Australia. These electronic sightings covered most of China and part of Russia.

The United States and Australia were supposed to share the information. However, unknown to the Australians, the United States introduced an even more sophisticated satellite system. The first was known by the code name "Rhyolite;" the second,

"Argus."

But the Australians were told nothing about "Argus." The sightings were never shared. This was a serious violation of the agreement between the two countries.

Now the Australian authorities have learned about "Argus" from papers leaked at the trial. As a result, relations between the United States and Australia may never be the same.

**Sad Situation:** The saddest letters we see are written in a shaky scrawl. They come from the trembling hands of the elderly. Each letter is different, but the message is always the same.

These elderly people have worked hard all their lives for pensions they thought would take care of them after they retired. But they have been robbed by inflation. Their pensions are no longer adequate. The elderly are crying out for help.

Yet for those who receive other government benefits, the federal government is reducing their pathetic payments in order to compensate for slight rises in Social Security benefits. Here are some excerpts from a couple of random letters.

One woman writes: "I am a poor widow. My pension is now cut down to \$5 per month. If we get a raise in Social Security this July, away will go even that tiny sum."

Benefits have been reduced from \$48 to \$5 a month for a 68-year-old woman with a heart condition and rheumatoid arthritis. Yet she writes proudly: "I have never

asked for welfare in my lifetime. I'll make it some way. But us elderly people need all the help we can get."

**Wasteful Railroad:** President Carter wants to improve our mass transit system. He can start with our federally funded railroad, Amtrak, which is falling apart.

Amtrak is losing money faster than Congress can appropriate it. Last year, Amtrak offered the participating railroads cash bonuses to get the trains operating on schedule. But the railroads responded by lowering their standards instead of improving their service.

Just one example of its spendthrift ways: Last year Amtrak spent \$54 million on food and booze for its passengers. Yet it took in only about \$18 million for these services. The taxpayers are stuck with the \$35 million difference.

**Nixon Note:** Former President Richard Nixon recently confirmed in a letter to Rep. Lester Wolff, D-N.Y., that he promised North Vietnam close to \$5 billion in economic aid during the peace negotiations.

He also sent the congressman another, hand-scribbled note, which wasn't released to the press. He recalled a flight they had taken together across the Pacific before he became president.

Then he made an appeal for "a bipartisan foreign policy, which will serve the cause of peace and freedom in the years ahead."

# Booters Bid For Tourney Berths

By Marc D. Koolen

As the season draws to a close, several Andover teams find that they are within the range of being invited to post-season tournaments, which could lead to the state championship. Some key games this week and next will be the deciding factor as they are must wins if the clubs hope to receive bids.

One of the teams with a strong chance is the under 19 Golden Ales, who continue to boast an undefeated record. This week's game may have been taken somewhat lightly by members of the team as they faced an undermanned squad from North Reading. The opposition did what most teams in this situation would do, and that is play defensively. From the opening whistle North Reading clogged up their own goal mouth, preventing the majority of shots from scoring. Andover put the first of four in 15 minutes through the period to take a 1-0 lead. At the 30 minute mark fullback Tom Flannery scored the game winner and his first goal of the year on a fine solo effort. North Reading scored a surprise goal before the half to give the Golden Ales a shakey 2-1 half-time lead. The second half was much the same as the first, with Andover applying constant pressure but only managing to squeeze two more home. Final score, 4-1 Andover.

The under 14 Cosmos edged out Georgetown 2-1 on Saturday to bring their record to an impressive 7-0-1. The wind was a major factor in this game as all three goals were scored with the advantage. Andover profitted first half and dropped in both its scores. The first came on a skillful shot by center forward Mark Rogers as he faked several defensemen to set himself up for the shot. Later in the period left halfback Ken Seliba displayed his talents as he let fly a singing shot for the decisive goal. The Cosmos had many other opportunities that period, but narrowly missed each. In the second half Georgetown took advantage of the wind and the tide of the game reversed. At the 20 minute mark the opposition dropped in their only goal of the day amidst a scramble in front of the Andover net. They continued to apply pressure, but the Cosmos' defense dug in and turned away all attempts. The Cosmos have a big game vs. Peabody on Wednesday, a game which will decide who represents the league in the states. Coach Bob Carrick is relying on the fine teamwork and improved skills of players like Mark Edgar to earn Andover the right to play in the tourney. This Saturday the team plays The Andover Golden Eagles in a hometown match at the Sacred Heart field starting at 2:30.

In other under 14 action, the Golden Eagles, under coach Cord Ohlenbusch suffered a 3-0 loss to Bill Steven's Gazels in a contest played on Saturday. The Gazels first goal came against the wind from forward Dave Fredette. This gave the Gazels the momentum, which carried over into the second half. Doug Price upped the score to 2-0 on a pretty shot from 15 yards away which was followed quickly by shot from Tom Healy which hooked up and over the net-minders head for the score. Despite the lopsided score, Golden Eagles goalie Adam Wise played an outstanding game as he prevented the score from being more one-way than it was. The Golden Eagles are a young group and with this years experience behind them they should be a team to reckon with in the future. Their next game will be against the Cosmos on Saturday at 2:30. The Gazels will face Merrimack on the Sacred Heart field this Saturday at 1.

On Wednesday of last week the two Andover under 12 teams faced each other for the second time. This game also proved to be a thriller as the outcome was

in question for most of the contest. Zach Apgar opened the scoring as he gave the Bullets an early 1-0 lead on an unassisted breakaway. Several minutes later he repeated the feat by taking another ball in alone and upping the Bullets lead to 2-0. With virtually no time left in the half, Strikers halfback Ivan Bermajo let go a shot that punctured the corner of the nets to put his team on the scoreboard. The second half was fairly even when, about the half-way point, Ivan found David Bates open and hit him with a perfect pass which Bates directed home. The game stood at 2-2 until late in the game when a shot deflected off a Striker defenseman and into his own net to put the Bullets on top 3-2. Before the Strikers could retaliate the final whistle blew giving the Bullets a 3-2 win. The Bullets won again on Saturday against Lawrence 4-1. Goals came from John Best, and Zach Apgar, each of whom contributed two to the winning effort. Coach Sher Drake played special tribute to John Crawford in the nets for two fine games this week. Also mentioned for solid play and real team efforts were Paul Hunt at center fullback, Kurt Oliver at Fullback, Dean LoPresti, Pat McLarney, and Ian Yates at halfback, and Joe Sheperd on the wing. The Bullets have an important game against Georgetown this Saturday as a win could mean a berth in the states. Game time is 11:30 on the Sacred Heart Field.

The Strikers also played on Saturday and came right back from their only loss of the season by demolishing Georgetown 7-0. Forward Tom Maginnis opened the scoring on a pass from Scott West early in the game. Before the half Bob French crossed one to Chris Coots who tipped it in for a 2-0 lead. David Bates started the scoring out in the second period as he took a nice pass from Chris Coots and put it away. Ivan Bermejo recorded the next two as he displayed equal skill and power with both feet.

Scott West put in an unassisted shot on a rebound for the sixth goal and Brandon Bachner rounded out the scoring on a well executed shot off a pass from halfback Tom Duncan. Goalies Bob French, Brian Bedell and Todd Lockwood shared the shutout, as they have several times this season. Other fine performances were turned in by defensemen David Collins, Danny Poore, and Dean Lockwood all of whom, according to coach Dick Valle, have improved tremendously this season. The Strikers will meet a team from Lawrence on the Sacred Heart Field on Saturday at 1.

The under 10 Athletics, under coaches Steve Barlow and Alan Thoday, played back to back games on Saturday and Sunday against Swampscott. The Athletics were in fine form on Saturday as they nailed the visitors 2-0 in an all Andover battle. The first goal came from right wing Chris Sapuppo who capitalized on a penalty kick. Center forward Steve Redgate nearly increased that lead on several occasions, but his efforts were spurned by the Swampscott defenders. Steve Colitz broke up several potential situations of Swampscott's to keep his team on top through the half. The opposition came out to win in the second half, putting tremendous

pressure on goalie Dave Bartel. Fine boots from players like Scott Powers and impressive dribbling by Mark Neaves made Bartel's job easier, though he turned in one of his best efforts of the year to earn the shutout. Sunday's game was not as pleasant for the Athletics as the Swampscott team had reorganized and came out ready to win for their hometown fans. Andover's lone goal came from center forward Jerry Buss in the first half, but it was all Swampscott from then on. Left Fullback Jerry Bordelais played an outstanding game as he tried to protect new goal tender Jamie O'Brien from the onslaught of offensive shots. Swampscott's defense proved to be a little tougher that afternoon as they came back with a 3-1 win over the Athletics. This Saturday the Athletics play at home vs. Marblehead at 4.

Bill Tarbox's under 10 team took Georgetown 3-2 on Saturday in a close contest. Andover started out slowly, allowing Georgetown to dominate the early portion of the game. At the nine minute mark, however, goalie Craig Sorrie stopped a Georgetown penalty shot. This seemed to add a spark of life to the Andover team and they immediately took control. Ted McEnroe found Brian Novelline open for the first tally of the game and a 1-0 Andover lead. Before the half Larry Aiello boosted the lead to 2-0 on a well placed penalty shot. In the second half Brian Novelline added his second of the day after some fine passing from Barry Tucker and Christina DellaCroce. Novelline had been on the injured list for three weeks, but appears to have recovered quite well. Georgetown came back with two quick goals, one on a penalty

shot, but it wasn't enough as the whistle sounded to end the game at 3-2 Andover. Coach Tarbox attributes the win to the coordination of his forward line, which has finally begun to play offensively instead of hanging back in the defensive zone. He also credits the teams constant enthusiasm and spirit for maintaining a strong team unity and pride. These, according to coach Tarbox, were the deciding fac-

tors in Saturday's game.

The Milligans and 84 other camping families gathered at the popular Granite State park to enjoy group sing-a-longs, a dance, games and gondola rides to the summit of beautiful Sunapee Mountain.

## Knights Defeat Champs

The Andover Knights of Columbus entry in the Northeast Baseball League opened its 1977 season with a 3-1 victory over defending champ Georgetown VFW.

The Knights avenging a semi-final defeat by the VFW, in last years playoffs looked excellent in their first outing. Spearheaded by Steve Bedrosian's three hit, twelve strike out performance, the Knights whacked out seven hits.

Bedrosian in striking out 12, fanned the side in the first, fifth, and seventh. He also walked only four en route to his superior performance.

The Knights, although getting seven hits and hitting many other balls very hard used the walk to good advantage. After trailing 1-0, they began their rally in the fourth with one out. Kun led it off with a single to left, Juba and D'Agata walked. With Barry Karamatopolous, last years All-Star second baseman, at bat relief pitcher Laflamme wild pitched two runs home. Karamatopolous then walked where in he and D'Agata pulled a delayed steal. With Karam getting hung up in a run down D'Agata raced home.

### Receives Varsity Letter

Betty L. Welsh has received a varisty letter for her participation in basketball at Wheaton College during the 1977 winter and spring sports seasons. She is the daughter of Mr. and Mrs. Robert A. Welsh, 199 River Road, Andover, Mass.

Forty-seven letters were presented to members of the basketball, gymnastics, swimming, and tennis teams at the college's spring honors convocation.

Wheaton College is a Christian liberal arts college located 25 miles west of Chicago. The school has a 13 sport inter-collegiate program and is a member of the National Collegiate Athletic Association.

Andover had Georgetown on the ropes in the fifth and sixth only to see the door shut by double plays. Andover was also sparked by two great catches in left field by Sam D'Agata, one possibly lobbing Lance Cramer of a home run in the fourth inning.

The Knights received another great pitching performance in their second outing as veteran Laszlo Kun pitched a brilliant two hitter only to be beaten 4-0.

The down fall for the Knights came in the second inning as Worthen opened with a base on balls and Simpson singled to center. Jackson then laid down a perfect sacrifice which was thrown into right field by the Knights third sacker. Kun proceeded to strike out two of the next three with a walk sandwiched in between.

Timberlane then got another walk and slow roller by the pitcher for two more before the fire was put out.

Andover only mounted one serious threat as they loaded the bases in the fourth only to see it go by the board.

The Knights third game of the opening week found them returning home to play a return match with Timberlane.

The Hampshire men scored first as they opened with a run as Funi singled to right, went to se-

cond as Barry reached on an error by the shortstop. With two outs Simpson singled in Funi and was thrown out as Don Saab cut the throw and threw him out at second.

The K of C boys scored in the third to take the lead as Steve Juba walked, Ed Saab walked and Peter Karamatopolous singled in Juba with Saab taking third. Mark Morreo then scored Saab with a sacrifice fly.

Timberlane scored once in the fourth to tie the game as Barry singled to left and went to third as Simpson singled to left. He then scored as the Knights tried to go around the horn with a double play only to miss the final out. In the seventh, they added the winner as Dzielak doubled to left, held as Fisher grounded out third to first and scored on a Smith single to wrap up a 3-2 victory.

The Knights lost their third heartbreaker in a row as Georgetown edged them by a 2-1 margin in an away game on Monday.

Andover scored one in the first as Paul McIntyre opened with a single to left, Laszle Kun crashed a long double to left, and Steve Juba singled to right for one run with one out. The rally ended here with a pop-up and an attempted double steal failure.

The VFW tied the game in the third as Cooke walked with one

out and Moriarty split the left side with a wrong field triple for a run. They added the winner in the fifth as Drinkwater walked with one out, moved to second on Cooke's walk and scored as a double play ball was thrown away.

The K of C had a chance to tie in the sixth and seventh as the lead off men got on only to be stranded there.

# Feeney Fires Five Hitter

By Rick Harrison

The Andover Babe Ruth baseball team rebounded from its opening loss to North Andover, trimming South Lawrence East 8-1 last week and nipping Prospect Hill 4-3 last Monday night to move within one-half game of the Greater-Lawrence League lead.

Andover, 2-1, trailed North Andover 3-1 and Tower Hill 3-1 through Monday's action, as every team in the well-balanced league had won at least once and lost at least once.

## Andover, 8-1

Righthander Pete Feeney put Andover back on the winning track against SLW, firing a five-hitter, fanning nine and walking only one batter.

Feeney threw only 73 pitches during his seven-inning masterpiece.

Andover jumped out to a 4-0 first inning lead. Bob Heidt, Brian Kelly and Feeney lashed singles off complete-game loser Don Rennie in that inning, while Wayne Merola and Bill Stahley drew walks.

SLE took advantage of Andover's only two errors to notch its lone run in the second stanza, but the locals struck for their final four runs in the third.

Stahley, Kelly, Feeney and Lary Larrabee had singles, while Steve Rathbun and Pete Gravellese drew bases-loaded walks to force in a pair of runs.

Feeney, who whiffed the side in the fourth, didn't allow another baserunner past second after the second inning.

Andover had a mild threat in the fourth when Bob Patterson singled and Brian Kelly walked with one out, but Feeney popped to second and Tim Grams lined out to third ending the inning.

Brian Kelly finished the game 2-for-2, Bob Heidt was 2-for-4 and Feeney 2-for-3 to pace Andover's 10-hit attack. Merola, Larrabee, Stahley and Patterson added singles.

Lary Larrabee, who continues to play an outstanding defensive centerfield, cut down SLE's Alex Silva at second base trying to stretch a long single into a double in the first inning.

Rich Silvera stroked two hits to pace the visitors.

## Andover, 4-3

Bill Stahley, making his first pitching start for Andover, held Prospect Hill to one hit for 6-2/3 innings before Pete Feeney came on to get the final out.

Ten walks and five Andover errors led to three unearned PH runs, keeping the game close and denying Stahley a shutout.

Andover jumped ahead 2-0 in the bottom of the first. Wayne Merola walked and Lary Larrabee laid down a perfect bunt single.

The throw to first trying to nip Larrabee was wild, and when the ball remained in play Merola came all the way around to

BILL STAHLEY  
tosses one-hitter

score. A return throw to third attempting to stop Larrabee a second time was again wide, and Lary raced home with the run.

Pete Feeney ripped a long double to leftfield with two down in the second, but he was left stranded.

The score jumped to 3-0 in the third when Merola, hitting in his third straight game, slashed a triple to rightfield and kept coming when the relay throw got away.

Prospect Hill battled back to 3-2 in the fourth. Luis Rodrigues led with a walk, and Gus Almonte broke up the no-hit bid by grounding a single to leftfield.

When the ball rolled past the charging Andover outfielder, Rodrigues scored and Almonte advanced all the way to third base. He then scored on Lou Mancini's infield out.

Andover notched the eventual winning run in the home half of the fifth. Steve Rathbun walked and Merola singled to left. The next two batters were retired, but Stahley came through with a clutch RBI single to centerfield on a two-strike pitch.

Almonte scored the final Ph marker in the sixth, reaching on a throwing error and racing home after two more miscues.

Larrabee came up with another clutch throw from the outfield during the inning, cutting down Elbie Alba trying to go from second to third on an overthrow.

PH threatened again in the seventh without benefit of a hit. Leadoff batter Bob Ferries was hit by a pitch and then erased on a fielder's choice forceout at second base.

# Indians, Cardinals First Half Champs

By Rick Harrison

The American League Indians and National League Cardinals wrapped up first-half championships in the Andover Little League last week.

The Indians won the completion of a suspended game against the Tigers, 4-3, thereby finishing with a 7-1 ledger to nip the runner-up Red Sox who were 6-2.

As the AL second half got underway, the Twins and Red Sox jumped out ahead of the pack with 2-0 records.

The Cardinals secured the NL first-half pennant with a taut 8-7 victory over the pesky defending champion Giants. The triumph left the Cards at 9-1, one game better than the Pirates 8-2.

The NL second half opened with a brilliantly played game between the Cards and Pirates, won 2-0 by the Cardinals.

Switching to the National Minor League, the Cardinals, Pirates and Redlegs were still embroiled in a tight three-way fight.

## MAJORS American First Half

### Red Sox, 11-4

Andy Emmert led the Red Sox to an 11-4 thrashing of the White Sox, going 3-for-4 including a two-run double that chased across the tying and eventual game-winning runs. He also slugged another double, scored a run and stole one base.

Jeff Demers lashed two hits and scored twice for the Sox, while Dick Kelley went 2-for-5 with an RBI and one run scored.

Mike Coelho spiked a two-run single, Jay Madden and Tom Powers drilled run-scoring singles, Joe Nerden walked twice and forced home a run, Chuck Frazzette contributed a hit and a walk, and Ed Melia walked twice and collected one ribbie.

Winning pitcher Dave Hering 2-1 and Tom Powers, second save, hurled three innings apiece, allowing six hits, fanning two and walking one.

John Robbins doubled, Jeff Crowninshield went 1-for-2, and Ron Lindquist laced an RBI single for the White Sox.

Defensive stars for the Red Sox, who reeled off their fourth and fifth doubleplays of the season, were first baseman Dick Kelley (10 chances), shortstop Jeff Demers (7 chances), and rightfielder Ed Melia.

For the White Sox, fielding stars were shortstop Robbins (8 chances) and centerfielder Robbie Ratelle (7 chances).

### Second Half Orioles, 7-5

The first-year Orioles stunned the Indians 7-5 to start the second half, as Chris Coots collected the mound victory in relief of starter Pete Ouellette.

Coots and Tim Jennings collected two hits apiece for the O's, and it was Jennings' second single of the game with the bases loaded in the sixth that drove home the winning runs.

Catcher Brian Sheehy starred

defensively for the winners.

Jeff Parker was the losing chucker in relief of Jay Carlson, the latter allowing only two runs in the first three stanzas.

Parker and Bob Leber hammered three safeties apiece for the Tribe, while Pat Beaudine chipped in two hits.

### Yankees, 6-4

Dennis Glynn rapped a three-run homer, and combined with winning pitcher Chris Valcourt for a three-hitter, as the Yankees squared their second-half ledger by edging the Tigers, 6-4.

Valcourt and Glynn fanned six Bengals between them, Jim Terrior chipped in a key two-run double, and both Valcourt (third base) and Glynn (centerfielder) starred defensively when not on the mound.

Matt Wells and Scott Zimmerman powered the Tigers' offense with doubles.

### Red Sox, 7-3

Dave Hering 3-1 and Jeff Demers, second save, pooled pitching talents for a three-hitter, whiffing four and walking four, as the Red Sox trimmed the Tigers, 7-3.

Ten different Sox' players collected hits, led by Tom Powers who was 3-for-3 including an RBI double.

Andy Emmert continued his heavy slugging with a three-run homer, Joe Nerden doubled, 10-year-old Pete Guschoy beat out a bunt single, and other singles were stroked by Chuck Frazzette, Jay Madden, Jeff Demers and Dave Hering.

The Tigers had singles by Marc Bolan, Todd Young and Scott Zimmerman.

The slick-fielding Sox clicked off two more twin-killings, Nos. 6 and 7 of the season, as the keystone combo of Demers and second baseman Tom Powers shone.

Matt Wells was the losing hurler, fanning six and walking two, while Bengals' fielding standouts were shortstop Zimmerman, second baseman Bolan and rightfielder Shane Smith.

### Twins, 16-6

Brian Berry fired a complete game six-hitter, whiffing six, and the Twins erupted for seven runs in the third enroute to a 16-6 romp over the White Sox.

Marty Yaghoorian led the assault with 3-for-3, including two doubles, and five RBI. Keith Dyer was 3-for-3 with a two-bagger, and Bill Lane clouted a two-run triple.

For the Sox, Robbie Retelle went 2-for-3 with a two-run double, Jeff Crowninshield was 2-for-2, and Jerry Ahearn absorbed the pitching loss.

Yaghoorian sparked again defensively at shortstop.

### Twins, 7-6

All the runs came in the first three innings as the Twins hung on to nudge the Orioles, 7-6.

Marty Yaghoorian worked the final three frames in relief of winner Steve Guschoy for the Twins, blanking the O's on three hits.

Chris Coots, meanwhile, silenced the winners with three frames of one-hit, shutout relief for the Orioles.

Guschoy went 2-for-3 with a pair of doubles for the Twins, Jim Lowe was 2-for-2 and Mark Jensen 2-for-3.

Brian Sheehy sparked the O's with a single, double and triple in four plate appearances. Kevin Rourke was 2-for-2 with a two-bagger and single.

John Nardoza starred defensively in centerfield, making two excellent catches before suffering an injury and leaving the game.

### Red Sox, 3-2

The streaking Red Sox captured their fifth straight game, nipping the Yankees 3-2 as Chuck Frazzette singled home the winning run in the fourth frame.

Mike Coelho 3-1 worked five innings of two-hit ball, facing only 19 batters, striking out five and issuing two free passes. Dave Hering hurled the sixth, giving up a run on two walks and two basehits as the Yanks rallied.

Tom Powers added a double for the Sox, Hering bunted home a run, and solo safeties were contributed by Pete Guschoy, Jeff Demers, Dick Kelley and Jay Madden.

Billy Vickers was the hard-luck losing pitcher, scattering six hits, fanning five, walking none and allowing only one earned run.

Robbie Slayton and Steve Johnson clubbed RBI doubles for the Yanks, while Dennis Glynn and Jim Terrior lashed singles and scored the two runs.

Sox' defensive stars were rightfielder Scott Higgins, first baseman Dick Kelley and second baseman Tom Powers, while Yanks' fielding leaders included centerfielder Dennis Glynn, first baseman Steve Johnson and catcher Robbie Slayton.

Race-proven in the U.S.A.**

Nothing proves the endurance of a car's components like competitive racing. And this year, Scirocco proved a lot.

In its first season of Trans-Am racing, Scirocco stormed past Alfa, Opel, Renault and all the rest to bring home the coveted Manufacturer's Trophy in the under 2-liter class.

One look at our 1977 showroom stock Sciroccos will tell you why this car is a winner. On or off the track.

Road Test Magazine, in its December 1976 issue, said: "Acceleration has improved with every Scirocco we have tested... From a standing start you are going 60 mph in 10.5 seconds with the end of the quarter in 17.7 seconds at 76.3 mph... that makes it one of the best performing cars you can buy..."

Anyone who still needs proof that VW makes a great sports car hasn't been to the races recently. Or to our showroom.

Stop in and take a Scirocco for a spin. It's all the proof you'll need.

They are qualified and equipped to install the newest locking system in your home or place of business and also answer your lock-out calls for home, business or automobile.

## ABC Resident Directors Honored

Andover ABC began its search for new resident directors this week, as young people from the program began saying their goodbyes to the families who have been their parents in absentia.

At the ABC annual meeting last week, members of the Boys House on Main Street presented gifts to Carl and Lucille Bovay, their resident directors for the past two years, while the girls presented parting gifts to Herb and Vonnie Hunter.

Bovay said that he felt his duties as an executive with Boys Scouts of America would not allow them to stay on another full year in Andover, and Mrs. Bovay this week said they felt they never could repay "the guys" for what they had given her and her family.

"It was a home," she said, "not a house," and added that they were very happy with the way Andover has supported the program for minority students. Mrs. Bovay has been a

teachers aide at Sanborn School and their daughter Carla, a graduate of Andover High, will be a sophomore at Carnegie-Mellon University.

Hunter credited his wife for taking most of the responsibility for the girls' house while he was a W.E.B. DuBois Fellow in Afro-American research at Harvard. He will be working on his Ph.D. fall in sociology at Boston University in the fall, and teaching parttime.

Mrs. Hunter is a sales representative for Quaker Oats. The Hunters, who have sons Brian, in fifth grade, and Robert in kindergarten, will be moving to Methuen.

ABC is seeking only one set of resident directors for next year, however, as the costly Girls' House on Bartlet Street has been sold in order to concentrate funds on the academic program rather than mortgages and maintenance.

The Main Street house will be remodeled to accommodate both the three-year-old girls program and the 9-year-old

boys program.

Persons interested in being resident directors are asked to contact Richard Cunningham, dean of men at Merrimack College, or Douglas Mitchell, new president of the ABC board.

## May Hike Sewer Use Cost

The selectmen will discuss increasing the sewer use charge when they meet Monday night in Memorial Hall library.

The board discussed the matter at a work session this week, and have tentatively decided to increase the sewer use charge from 30 cents per hundred cubic feet to 40 cents, resulting in an increase for a resident connected to the town's sewer system, using 7,

000 gallons of water in a six-month period from \$21 to \$28.

The sewer use charge was imposed through the town's participation in the Greater Lawrence Sanitary District, the treatment plant now processing sewerage from the four Greater Lawrence communities before it enters the Merrimack River.

Sewer service charges were imposed by federal and state regulations due to the funding of the construction and maintenance of the regional facility.

The philosophy of the board of selectmen has been that revenues from the sewer use charge should equal all costs to the town as a member of the Sanitary district, plus the operating and maintenance

costs of the town's own sewer division.

At the annual town meeting this year voters had to appropriate \$25,000 to meet the expenses of the sewer division and Sanitary District costs. It was explained that the use charge, initiated over a year ago, was started at too low a level, and that after a year's experience, local officials have a better perspective of the costs.

If approved Monday night, the new charges would take effect on July 1.

## Film Fest At West June 20

A film festival showing off the results of Andover's Artist-in-Residence program, has been scheduled for 7:30 p.m. Monday, June 20, in the West Elementary School Auditorium.

Films to be shown have been produced by more than 90 students at the elementary, junior and senior high levels, with the help of Filmmaker David Parry.

Several of the films were shown last week at a festival at the Institute of Contemporary Arts in Boston, along with those from the other two communities that have filmmakers-in-residence for this spring term.

### Summer School Registration

The annual Andover elementary summer school registration will be held Monday and Tuesday, June 13 and 14 from 3:30 to 5 p.m. at the Bancroft school.

Summer school forms are being sent home with children this week.

### Auditorium

(Continued from Page One)

Planning Board and Selectmen to send representatives. Committeeman Alan Doerr volunteered Tuesday to be a liaison for the school committee.

Music and drama groups presently have no adequate performing facilities, as plans for a high school auditorium were lopped off when the building was in its early stages. The high school gymnasium does not accommodate all of the school at once for programs.

While the weather man was still predicting possible rain for yesterday's graduation ceremonies at Eugene Lovely Field, Seifert noted that an auditorium should be large enough to accommodate commencement exercises in case of rain.

Seifert suggested the study committee, might consider a new facility to be combined with the high school complex, as well as adaptation of existing facilities.

The youngest university professor was Colin MacLarin who was professor of mathematics of Marischal College, Scotland, in 1717, when he was only 19.

## Water

Andover residents, process of adjusting year's tax increase faced with hike in sewer rates.

Both will be retro January 1 and for a typical consumption of gallons of water months, that will increase of about \$20 water alone.

Only families connected to town sewerage will pay sewer tab, which will increase of approximately year.

The selectmen Monday voted to increase the charge from \$.30 to \$.40 per hundred cubic feet of an effort to "catch up" rising cost of operation maintaining the town division, as well as the assessment as a member of Greater Lawrence District.

The town has been more than \$100,000 short policy of meeting both costs through billings customers on town sewer. The total cost is approximately \$410,000, whereas only been assessed about \$300,000 a year.

Selectman Richard J. called the move justified, as disaster may be.

Larry Higgins of Street questioned why people on the sewerage should pay the capital the town builds a sewer, it is supported whole community.

Bowen contended that
